PTT Disclaimer-Permanent tee time groups are required to have a complete paid foursome each week, with the exception of one vacation week. If a group does not have a complete foursome, the group is required to pay a \$25.00 penalty fee for each player less than 4 that didn't play. If a walk-on player is available and the group declines to allow the individual(s) to fill out the foursome, the penalty fee is the non-resident fee amount per person. These penalty fees are due prior to teeing off the following week.
